Response to Comments of October 20, 2015
Human Health Risk Assessment Report
Occidental Chemical Corporation, 6200 S. Ridge Road, Wichita, Kansas
EPA ID No. KSD007482029

Dear Mr. Roberts:

We are currently in the process of developing a response to your comments regarding the Human Health Risk Assessment and making the appropriate revisions to that document. Based on the date that we received your comments our response would be due on November 27. Based on timing of this upcoming holidays I am requesting that the due date be extended to December 30, 2015. We have received your approval of the CMS Work Plan and will proceed with those activities on schedule. In addition, we will also be submitting the Vapor Intrusion Work Plan by December 31, 2015 as planned.

Let me know if you have any questions regarding this request.

Sincerely,

David W. Anderson, P.E., P.G.
